MEMORANDUM FOR: Dr. Stevens

FROM : [REDACTED]

SUBJECT : People Prospects

1. Some months ago Mr. Bowie told me to check CNA as a possible source of talent. I have kept in touch over there and yesterday learned that [REDACTED] is looking for a job.

2. A sample of his work is attached. I do not know him personally, but he gets high marks from another CNA man whose judgment I respect. I do not know the circumstances surrounding [REDACTED] decision to leave CNA.

3. Do you want me to pursue the matter? If so any guidance on who in NFAC or CIA should see [REDACTED] will be appreciated.

THIS MEMORANDUM IS REGRADED TO
INTERNAL USE ONLY WHEN SEPARATED
FROM SECRET ATTACHMENT.
